## PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Web Developer with hands-on experience in designing and developing responsive websites using HTML, CSS, JavaScript, PHP, MySQL, and Bootstrap. Strong understanding of web development fundamentals and UI/UX principles. Passionate about learning new technologies and committed to delivering high-quality, user-friendly web solutions. Looking to contribute to a dynamic development team and grow as a full-stack web developer.

## EDUCATION

### **Amity University**

*Bachelor of Computer Applications* | Jan 2024 – Pursuing

### **National Skill Training Institute, Noida**

*Advanced Diploma in IT & Cloud Computing* | Oct 2024

### **Government ITI Kalpi UP**

*COPA (Computer Operator and Programming Assistant – ITI)* | Oct 2021

## PROFESSIONAL EXPERIENCE

### **IT Trainer – SETU Foundation Noida**

*November 2024 – May 2025*

- Dedicated IT Trainer and Center Incharge at SETU Foundation, Noida with experience in conducting training sessions on Computer Fundamentals, MS Word, Excel, PowerPoint, and Gmail. Skilled in managing technical operations and ensuring smooth functioning of center activities with a strong focus on training delivery and administrative coordination.

## INTERNSHIP

### **Full Stack Intern – IBM at NSTI Noida**

*May 2024 – Sep 2024*

- Successfully completed a virtual internship in Full Stack Development with IBM. Worked on a team-based project using Java and Spring Boot, focusing on backend development and API integration. Gained hands-on experience in collaborative development, version control, and full-stack application workflow

### **Cyber Security Internship – Cisco & NIIT**

*Duration: One month*

- Gained foundational knowledge of cyber security concepts including network security, threat detection, and secure browsing. Understood basic principles of ethical hacking and data protection through hands-on simulations.

### **Cloud Computing Internship – AICTE**

*Duration: One month*

- Learned cloud infrastructure concepts with hands-on experience on IBM Cloud. Developed a Chatbot using IBM Cloud services and gained knowledge of hosting, storage solutions, and resource optimization. Explored various cloud-based tools and deployment models to understand real-world applications of cloud computing.

### **On-Job Training (OJT) – ICL Pvt. Ltd. (During ITI)**

*Duration: 15 Days*

- Practical training in technical operations during ITI program. Learned workplace discipline, basic IT infrastructure handling, and supported day-to-day technical tasks under supervision.

## **PROJECTS**

### **Digital Learning (Static Web – Individual Project)**

*Technologies: HTML, CSS JavaScript*

- Designed a static website for a computer learning center, providing detailed information about the center, admission process, and allowing students to query and inquire. The website was designed to be user-friendly and informative, making it easy for prospective students to learn about available courses and enrollment steps.

### **Indian Seasons (Bootstrap 5 – Individual Project)**

*Technologies: Bootstrap 5*

- Created a simple yet responsive website using Bootstrap 5 to display information about the different seasons in India. The website was built with a focus on responsiveness and clean design, ensuring optimal performance across various devices.

### **Credit Card Loan (Data Analysis – Team Project)**

*Technologies: Python, Power BI, HTML*

- Analyzed credit card loan data using Python for data prediction and analysis. Built an interactive dashboard using Power BI to visualize the insights, and integrated the final results into a static web page for easy access and presentation of data. The project involved teamwork and collaborative efforts to build an efficient analysis tool.

## **TECHNICAL SKILLS**

- **Programming:** Python, Java, PHP, JavaScript, HTML5, CSS
- **Frameworks:** Django, Flask, Laravel, Bootstrap, Tailwind And WordPress Too.

- **Databases:** MySQL, MongoDB, SQLite
- **Tools & Platforms:** Jupyter, PyCharm, Google Colab, GitHub, AWS, IBM Cloud
- **Operating Systems:** Windows, Linux
- **Fields of Expertise:** Web Development, Backend Development, Cloud Computing.

## **CERTIFICATIONS**

- CCNAv7: Networking & Cybersecurity – Cisco Networking Academy
- Employability & Transferable Skills – Mahindra Pride Classroom
- Disaster Management Training – NIDM, Ministry of Home Affairs
- CCC (Course on computer concept).
- DIT+ (Diploma in information technology).
- Scout & Guide Certified.

## **PROFESSIONAL SKILLS**

- Smart working
- Quick Learner
- Leadership & Teamwork
- Communication & Logical Thinking
- Problem Solving

## **LANGUAGES**

English, Hindi

## **HOBBIES**

Crafting, Travelling, Fashion designing.
